Customer Creation

Only Admin and Receptionist can create new customer.

- i. First click in Customer Controller

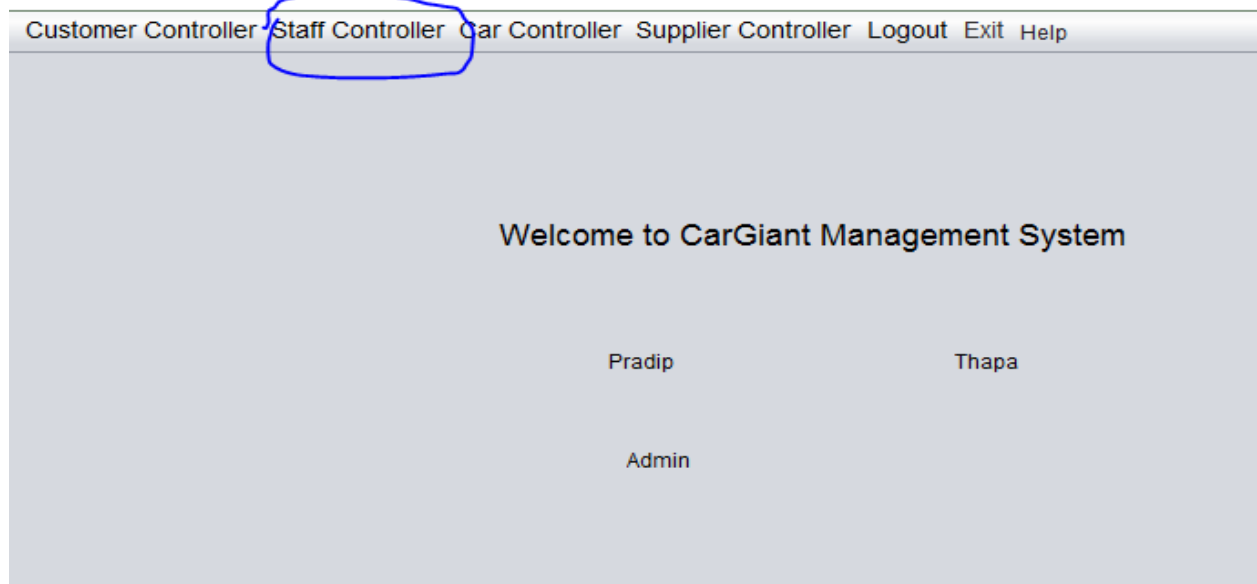

- ii. Then Fill the form and click submit button and a staff selector panel appears. Then click assign.

The screenshot shows the 'Register a new Customer' form. The form has several input fields: 'Enter Customer name', 'Enter Customer's Last name', 'Enter Customer's Address', 'Enter Customer's Contact Number', and 'Select Preferred Service'. The 'Select Preferred Service' dropdown is currently set to 'purchase'. A 'Proceed' button is at the bottom left, and a 'Next' button is at the bottom right. A modal window titled 'List Of Staff' is overlaid on the form, showing a table of staff members. The 'Assign' button in the modal is highlighted with a blue circle.

Staff Creation

- i. First click on staff Controller.

- ii. Then enter all the credentials and press submit. A success message will appear.

The screenshot shows the 'Register a new Staff' form. The form has a header with four tabs: 'Add Staff Type', 'Create Staff', 'Attendance', and 'Search Staff'. The 'Create Staff' tab is selected. The form contains the following fields and controls:

- Enter Staff's First name: Gokul
- Enter Staff's last name: Baskota
- Enter Username assigned to staff: (empty)
- Enter password: (empty)
- Enter address of staff: Banepa
- Enter contact of staff: 654658634
- Select the post of staff: salesmen (dropdown menu)

A success message dialog box is displayed in the center of the form, stating 'Successfully inserted' with an 'OK' button. The 'Submit' button at the bottom left of the form is circled in blue.

- iii.

Insert Car Part

- i. First click on Car Controller and a form will appear. Fill the form and click add.

The screenshot displays the 'Car Management' application interface. At the top, a navigation bar includes links for 'Customer Controller', 'Staff Controller', 'Car Controller' (which is circled in blue), 'Supplier Controller', 'Logout', 'Exit', and 'Help'. Below this, a sub-header reads 'Car Management'. A toolbar contains three buttons: 'Add Car', 'Add Model', and 'Search Car'. The main form area contains several input fields and dropdown menus:

- 'Enter name of inventory' with the text 'Speaker' entered.
- 'Enter Price of inventory' with the value '20005' entered.
- 'Enter available units' with the value '10' entered.
- 'Select type of inventory' with a dropdown menu showing 'part'.
- 'Select model of inventory' with a dropdown menu showing 'Ford'.
- 'Select supplier name' with a dropdown menu showing 'JD Auto'.

At the bottom center, there is an 'Add' button, which is pointed to by a blue handwritten mark. To the right of the form, a 'Message' dialog box is open, displaying an information icon and the text 'new Inventroy added', with an 'OK' button at the bottom right.

Search Staff

First click on staff controller and select search tab. Then enter the name of the staff. The information of the staff will appear on table. Then the staff can be updated, deleted and attendance history can be viewed.
